Hope to see you again all in September, 2010!

Start your cronometre: 30 minutes!

I'll introduce you to a very **fast & simple** way of starting a business online. I'll not give many explanations (but if you need more, you can find in my ebook “Sexy marketing & Adult marketing on Internet”), I'll just show you the idea so you can start making some REAL money RIGHT NOW! Then, after you make some money and see how the money are made in the Internet Marketing (and in the Internet Marketing of Adult Entertainment Industry), we can go to the next level ;)

RULE 1:

YOU DON'T HAVE TO BUY ANYTHING TO START YOUR BUSINESS!

The great majority of “business gurus” tries to teach you how to start your business by buying something from them or from others that they advertise, so they can make a profit/commission. Why I do it “for free”? NOT to save the world, I have 2 more realistic reasons:

- if you start to make some money with this method and you see how it works, I hope to sell you one of my ebooks where I describe other business models online;
- although you'll never buy anything from me, if you start to use this method and make money, I'll get a share from your profits (5-10%), but paid by the sites that you're affiliate (not by you!), because you're my sub-affiliate. Wonderful world, isn't it? :)

Enough philosophy, let's start with the FACTS:

Watch this Channels on Dailymotion and ask yourself what they have in common?

<http://www.dailymotion.com/sexygirlsonwebcam>

<http://www.dailymotion.com/hotnastyworld>

<http://www.dailymotion.com/titsboobsbreast>

<http://www.dailymotion.com/eroticgirls88>

Some answers:

- they show some (hot or less:) semi-naked chicks;
- they are soft EROTIC, not porn;
- all they have BIG written a SITE address: <http://www.HotNastyWorld.com>
- they have lots of views!!!
- when we access "the site" www.HotNastyWorld.com, we realize that it's not a site and it redirects it to a well known videochat site LiveJasmin:
www.livejasmin.com/listpage.php?psid=jobs4adults&pstour=t1&psprogram=PPS

Note: At the time this report was created (July 5th, 2009), HotNastyWorld.com was just a domain directing to [LiveJasmin](http://www.LiveJasmin.com). At the update of September 16th, 2009, it was a site making money from advertising other adult sites...Anyway, we still keep the example & the analysis, and we offer also another one alike:

<http://www.dailymotion.com/sexygirl3323>

who advertises www.freecams69.com

which redirects to the affiliate link of Webcams

www.webcams.com/index.php?action=ModelGuestChat&freechat=Y&page=freechat&model_id=15254&skin=webcams.com

Want to [promote Webcams as an affiliate?](#) Not a bad idea!

One guy (or girl!) like you (or like me) did those channels (downloaded some movies from internet with RealPlayer or , edited them with Windows Movie Maker writing highly visible the domain HotNastyWorld.com, uploaded them on Dailymotion with suggestive titles & keywords) and...did some indecent profits for that!!! FU*K!!!

Let's go deeper (I like that:P) and understand better how he/she made the money:

He used a method called Affiliate Marketing: at any site who sells something on Internet, watch at the bottom of the site some link called "Affiliates" or "Webmasters" or "Make money". There, you can subscribe FOR FREE, you put your address and contacts, and they give you some links called affiliate links. If you drive traffic (attract visitors) to these links and the visitors make some actions (click that link, subscribe with their email address or buy something), you get paid a

commission who starts from 0.001 dollars/euros to 170 dollars/euros or MORE!!!

For more details about Affiliate Marketing I recommend Wikipedia:

http://en.wikipedia.org/wiki/Affiliate_marketing

So, our friend, visited the site LiveJasmine:

<http://www.livejasmin.com/>

At the bottom of the site he/she accessed the link “Webmaster wanted” (as I promised you, I didn't advice you to access the links “Models wanted” to make videochat or “PornStars wanted” to transform you into a PornStar :P):

http://www.awempire.com/adult-affiliate-program/webmaster-benefits/?referral_rs=jobs4adults

Watch these:

-About our sites:

Once you will subscribe to this affiliate program, you'll be able to promote also other sites;

-About Our Cam Models:

“Our model base boasts 400,667 amateur cam models”.....

More than 400,000??? Well, it seems that the girls are making money in this area :p

-About Our Programs:

Pay Per Signup (PPS): paying \$40 for every new customer you refer

So you are paid \$40 if a visitor you refer transforms into customer. Into the affiliate link above, we can guess that “our affiliate friend” has chosen PPS:

<http://www.livejasmin.com/listpage.php?psid=jobs4adults&pstour=t1&psprogram=PPS>

Revenue Sharing (REVS): paying 30% (plus up to 10% bonus) of revenues generated
If one guy (or girl, transexual, etc) spends \$1000 in one year (and many spend more than that!), you get \$300 “just by reffering a customer” :P Not bad!

-Co-Brand/Whitelabel

If I understand right, these guys can even offer you a solution for having your own videochat site..Another way to make money from the Adult Entertainment Industry ;)

-Timely Payments, Many Payout Options + FREE ePassporte or Payoneer Account + Debit Card.

“Getting your earnings to you is a top priority at AWE. Earnings are sent every two weeks, via your choice of the below payment methods:

Check

Bank transfer

ePassporte

Payoneer”

Translation: twice per month you get your money, through checks (sent to your home address) that you can cash them at any bank, or on the debit card they send you, so you can access it fast from any ATM in the world! Clear & honest?

Rule 2:

Be careful with SPAM & CopyRights!

Some sites don't allow you to place advertising, so if you upload your videos on YouTube, they can close your account if they consider that you are “too aggressive” in promoting your affiliate links.

Luckily, Dailymotion allows it and you can drive HUGE traffic with “our affiliate friend's method”!

It is possible that “our affiliate friend” hasn't the right for the videos he/she uploaded..... How do you get it?

-If you are a (sexy) girl, seems easy....make some videos with you dancing and men (& lesbians, gays & transexual:) will watch like crazy:

http://www.dailymotion.com/video/x33r45_sexy-redhead-dancing_people?from=rss
http://www.dailymotion.com/relevance/video/x8a3k6_girls-dancing-around_webcam
www.dailymotion.com/user/gizmo1900/video/xar3u3_sweet-face-and-cute-body_sexy
http://xhamster.com/user/burlesque_dancer
http://www.dailymotion.com/burlesque_dancer

Shake your ass, baby! :P

-If you are a man, I doubt that by posting your videos sexually dancing you will attract too much traffic. But if you look like Brad Pitt, you can earn something ;) In the Adult Industry, the traffic that matters is the “adult male” traffic generated by “female content”, because the men are more “sexually active” & determined to spend more time & MONEY on it! That's why “FEMALE sex sells”!

So, for a man the solutions he has are to pay some ladies to record them while (erotically) dancing (or stripping, or.....:), or to start a JV (Joint Venture:) with a (sexy) girl (or old woman:) and share the profits. I don't recommend to “steal” the professional or amateur girls' videos from sites like YouTube, PornHub, YouPorn... Especially if we talk about professional videos made by profesional models or Adult companies, or from Adult sites!

If you want to use some ladies' videos, always ask for their permission to download, edit and upload again their videos....As I said, you can start a Joint Venture with them and share the profits, or to pay them something before. Internet is full with exhibitionists, a lot of them posting videos on “tube sites” ONLY for FUN (they want no money)!

<http://www.dailymotion.com/user/uwatchmenow>

<http://www.dailymotion.com/BetseyJohnson>

<http://twitter.com/grayzjay>

<http://www.youtube.com/user/bikinishots>

<http://www.yuvutu.com/liza4unu>

<http://www.yuvutu.com/carmelmom99>

http://profiles.xtube.com/community/profile.php?user=sexy_bunny

You can download in FLV format any video on Internet with the latest version of RealPlayer which is FREE: <http://www.real.com>

Just put the arrow-cursor of mouse on the movie you want to download, and up on the right corner it will appear the windows with the blue link “Download this video” (as shown in the picture below). The video is downloaded in the directory C:/Users/User/Videos/RealPlayer Downloads or something alike.

If you want to edit later the video with the FREE editor Windows Movie Maker, you can use for FREE Format Factory for converting the videos in any format (suitable for editing):

<http://www.formatoz.com>

In Anexa 1 I suggest also other programs you can use for promotion, beside [LiveJasmin](#).

In Anexa 2 I offer a list of sites for driving free traffic to your links.

Rule 3:

Respect the Terms & Conditions of Affiliate Programs (Anexa 1) & the sites used for driving free traffic (Anexa 2).

If you fail to obey the rules of Affiliate Programs ([LiveJasmin](#)), you will be banned from their Affiliate Network and loose all your promotion work (and commissions)! Disrespecting the Terms & Conditions of Social Media sites used for driving free traffic (Dailymotion), can attract banning your ID, deleting your account or even banning your IP!

Both categories of sites dislike especially SPAM, infringe of COPYRIGHTS, PEDOPHILY, VIOLENCE or RACISM.

Short adress – URL

There is one small problem (so good when only our problems are small :p): when you subscribe to affiliate programs, they give you some urls like (or bigger):

http://www.adultfriendfinder.com/go/g927487-pmo.sub_jobs4adult

What do you do to make it shorter?

An elegant solution will be to buy a domain like [www.your-domain.com](#) at [www.godaddy.com](#) (costs only \$8-9/year and it worths the investment!) but because I've promised you not to ask you ANY investment, I suggest you

[www.tinyurl.com](#)

Enter a long URL to make tiny:
http://adultfriendfinder.com/go/g92

Custom alias (optional):
http://tinyurl.com/ 69sex2009
May contain letters, numbers, and dashes.

So this long address

http://www.adultfriendfinder.com/go/g927487-pmo.sub_jobs4adult

can be hidden and remembered by

www.tinyurl.com/69sex2009

(Buying your own domain can drive you to www.69sex2009.com which is much nicer, easier to remember, and it looks more “professional” & credible :p Also a HUGE advantage of using a paid own domain is that you can redirect the address to different affiliate links and test which one convert best! For example, 1 week you can try to drive traffic to [AdultFriendFinder](#), another week to [SexSearch](#), another one to [Fling](#) (and then to videochats, to sex toys sold online, to erotic magazines subscriptions, etc!) and see which one brings you more money!

You have the theory, you have the facts, the examples, the 2 Anexas...

What are you waiting for???? F*ck the Crisis: Make some money!!!!

Good Luck
&
Good Fu*k!

ANEXA 1 - Best converting sites (for products & services of Adult Industry)

This is a collection of sites recognized in the Adult Entertainment Industry as the BEST for converting your traffic into juicy (pussy) profits!!!

Subscribe for FREE to their affiliate programmes & make more money ;)

1. Dating

-these services are not Adult oriented, so they can be promoted also on “clean” sites like YouTube.com, MySpace.com, FaceBook.com or other sites who don't allow Pornography or Adult Materials!

FriendFinder

<http://www.jobs4adults.com/wm-FriendFinder>

FriendFinder is THE BIGGEST and best known site for Dating Online! Probably you've already seen it on many newspapers and televisions and heard about the couples who met and got married through this big Social Network. Not only that is a well known and respected business, but a few years ago was bought by Penthouse Inc. Friendfinder converts VERY WELL and can be promoted on any sites, because is not considered as “indecent”! Anyway, before you start promoting them, Read their FAQ & Affiliate Agreement, because if you don't respect their rules, they kick you out of their Network and there is big money to be made with them!

FriendFinder is the largest online dating personals site with 1,623,205 registered members and award-winning content. This site is targeted toward singles looking for love, romance, and even marriage. Excellent revenue for any website.

Get a flat \$30.00 for every order, regardless of the purchase amount (starts at \$19.95) or up to 100% of the membership fees (between \$19.94 and \$139.95 plus bonus) or \$2.00 for every woman and \$1.00 for each man who signs up for free!!!!

Amigos

Amigos is the biggest dating site for Spanish speakers (Spain, South America & USA). Spanish is one of the most used languages in the world and in Internet, so if you want to start promoting Amigos, [click here!](#)

AsiaFriendFinder

No need for translation, but we all agree that Asia has a HUGE potential, and is considered as one important key for fighting the Crisis. [Click here](#) to promote AsiaFriendFinder.

Other sites targeted to Asia:

- [FilipinoFriendFinder](#)
- [IndianFriendFinder](#) – India is growing fast? Be there with the best dating site offer!
- [KoreanFriendFinder](#)

Other dating sites that you can promote:

- [ItalianFriendFinder](#) – is one of my biggest bet for targeted dating sites! Why? Have you ever seen Italian tourists? :)))) They like so much “to connect” with ALL the girls.....like French, too!
- [FrenchFriendFinder](#) – maybe the biggest dating site for French speakers. Not many French, Italian and Spanish, speak English, that's why targeted dating sites are profitable!
- [JewishFriendFinder](#) – Jewish dislike to “mix their blood” (and wealth :) with other nationalities, so a dating site only for them is a logical offer! :)
- [FastCupid](#)
- [GermanFriendFinder](#) – a lot of people speak as their foreign language German!
- [MillionaireMate](#) – one of the biggest site in Dating for Millionaires! I don't know how many millionaire women are there, but with at least one, I would marry (from love :)!)
- [Passion](#) – sexy personals for passionate singles!
- [SeniorFriendFinder](#) – if you are a 18-25 years old lady and you are harassed by

men older than 40, send them to [SeniorFriendFinder](#)! You make them happy, and you make some money! (And you make me happy, because I get my 10% commission!:)! *Let's cum together...right now...och yeaaaahh...:)*

Dating sites for GAYS & LESBIANS

Gays and lesbians are 2 increasing sexual communities. For the marketers, they are considered to spend more money than the heterosexuals, especially for sexual related goods & services!!!! So there is money to be made in these markets!

Gays sites:

- [GayFriendFinder](#)
- [OutPersonals](#) - is the Adult Dating for Gays & one of the most profitable site to promote, if made well.

Lesbian sites:

[LesbianPersonals](#) is the biggest dating site for this community!

2. Adult Dating

Adult dating are among the best converting products of Adult Entertainment Industry: why pay for sex, when you can register to a well known site, where people who want to have sex FOR FREE can easily meet Online & OFFLINE. The monthly membership paid can be smaller than 30 minutes of sex with a prostitute. :>

AdultFriendFinder

the biggest Adult Dating & Swingers site! They are considered the fathers of Adult Dating online.

www.jobs4adults.com/wm-AdultFriendFinder

SexSearch

one of the latest in Adult Dating.

<http://www.jobs4adults.com/wm-SexSearch>

Fling

Everywhere you surf the web, you see Fling, from YouPorn to recreational adult bloggers. Guess why!

<http://www.jobs4adults.com/wm-Fling>

GetItOn

GetItOn is one of the newest adult dating sites who had an overwhelming success from the start! One of the world's largest sex and swinger site – with nearly 30 million active members worldwide. The site features video introductions, photo albums, steamy chatrooms, live Webcams and much more. Supported and marketed in twelve languages, send all your "adult" traffic to GetItOn and watch your conversions go through the roof.

3. Videochat

www.jobs4adults.com/livejasmin

When you say Videochat nowadays, you say LiveJasmin! It's simply the Biggest, the Best, has More models than any site and runs the Best Affiliate program in Adult Entertainment Industry!

You get paid:

- 20-30% from customers FOR LIFE!!!
- 36% from model girls referred FOR LIFE!!!!!!
- 36% from webmaster referrals FOR LIFE!!!!!!!!!!!!!!

RivCash

RivCash is number 1 site in Europe & Italian market! You get paid:

- 20% from customers FOR LIFE!

www.jobs4adults.com/wm-Cams

Cams is the videochat service offered by AdultFriendFinder Network, so enjoys all the advertising of a huge company.

www.jobs4adults.com/wm-Webcams

4. Adult Videos

For selling adult videos I recommend:

- Danni

- HotBox - This brand new adult-oriented on-demand video site offers an impressive array of streaming and downloadable content from DVDs, with a variety of affordable membership options. With a vast library of full length DVDs, and the best selections of your favorite stars and genres, there's no shortage of quality content to entice your viewers. We offer unlimited DRM-free downloads for our premium members in multiple resolutions, and free video clips for guests and standard members—all updated daily!

- Dammo - Tera Patrick, Angelica Sin, Karlie Montana & other “adult angels” in any man's bedroom? :) Dammo has some answers! The Video on Demand is a “pay for what you want to watch” technology recently developed by the big Adult Producers.

5. Adult Magazines

Penthouse offers a first class look at all your favorite Penthouse Pets, Penthouse letters and much more. With VIP access to some of the most beautiful women in the world, web viewers will find Penthouse irresistible- which means money in the bank for you!

ANEXA 2 – Social Networks & Tube sites 4 Adults (attracting visitors-BUYERS)

Into these sites you can promote your sites & driving FREE traffic to your affiliate links.

Soft eroticism allowed:

www.YouTube.com

Good especially for promoting non-adult sites like the Dating ones! Youtube doesn't tolerate too much *personal advertising* (they consider it as spam, so they close very fast accounts, and that's bad for “the small entrepreneurs” who tries to make some money online). Anyway, many they do spam YouTube including with Adult Sites (watch the movies from the Search).

Study case:

For watching “the sex(y) spammers” of YouTube, just make a Search with “sexy girls”:

http://www.youtube.com/results?search_query=sexy+girls

www.DailyMotion.com

You can promote almost anything (including adult sites), and they allow “erotic videos” :P Dailymotion is not driving so big traffic like YouTube, but in time drives more than YouTube, because your account(s) will survive more on Dailymotion.

www.Spike.com

See here some examples of “sexy video marketing” on Spike:

<http://www.spike.com/profile/geanina2002aa>

<http://www.spike.com/profile/annalorentza>

Porn:

(You have to be 18 or more to visit this sites, or in some states even min 21. Sorry, children!)

www.YouPorn.com

YouPorn is considered the “YouTube of Sex”, because it works like YouTube and is no 1 in “tube porn”. You can upload porn edited movies, and I guess they ask you to prove that you own the rights to upload those movies...

Also, if you're into “professionalism”, for some small fees, you can have better (sexual) exposure for your videos ;)

You wanna know why I ADORE Czech (Eastern European) girls?

Until today Jul 28 2009, the statistics are:

- 164.050 visitors (6.498 today);
- rates 4,04 (465 voters);

Analysis:

In less than 2 days, Zuzinka (I adore her name...and not only!) had 164.050 views just for THIS video (one!)! Let's suppose that 10% of these visitors took a look at her URL-site www.Zuzinka.com (although, I bet than more than 10% paid a visit. I'm one of them :P) If her url was driving these people towards LiveJasmin (the banner advertised at the bottom of Zuzinka's page of YouPorn is AdultFriendFinder, together with SexInYourCity at the right of the video...So, there are WORTH making money online networks!!!!), than she could have had 16.405 visitors/views on her affiliate

link. Let's suppose more that from these visitors, only 0,001 (1 per mile) buys membership (16 buyers) and you get the minimum 40 usd per sign-up, that would total an “indecent” amount of 640 dollars in less than 2 days, just for ONE video!!! More than the middle managers who graduates the University she follows :) I call this “indecent” because following that path, Zuzy will soon have money to finance herself for MBA (Politics & International “Affairs”) programmes at prestigious universities like Oxford, Cambridge, Stanford or Yale (which will open her gates for running to the presidency of many “political correct” countries....)

Other videos of Zuzinka on YouPorn, that I recommend for (hard) study:)

By offering that kind of math, I've managed to help also The Yahoo Answers community...You can call that as "community service". :p
